The Chief Secretary to the Dewan

of Mysore.

Sir,

In forwarding herewith, copy of dockets Nos. 985, dated 24th December 1893 1004 dated 5th January 1894, and 1062 dated 18th January 1894, together with copies of the statements therewith received and the original Kanarese record showing the result of enquiry into the claim to Toddy Revenue preferred by the Inamdars of Gollahalli and Borasandra villages in the Sira taluk, I have the honor to state that the Deputy Commissioner recommends the following amounts to be paid to the Inamdars.

Gollahally —

3

	For 1892-93	For 1893-94
	R – a – p	R – a – p
Gollahally	165 – 12 – 4	242 – 4 – 4
Borasundra	357 – 4 – 4	165 – 12 – 4

These are the amounts of the highest bids obtained at the sales of the respective years. It appears from the statement A that for both the villages the Inamdars got only Rs 60-12-4 per annum during the 5 years from 1886-87 to 1890-91. Instead of paying the Inamdars the amounts realized in each year, I would allot Rs 100 for Gollahalli and Rs 120 for Borasundra being the averages of the amounts for 5 years, to be paid permanently every year, free of charges for proportionate cost of establishments.

I have the honor to be,

Sir,

Your most obedient Servant,

Excise Commissioner's office

Bangalore, 4th September 1894.

From

The Excise Commissioner

in Mysore

To

The Chief Secretary to the Dewan

of Mysore

Sir,

In forwarding herewith, copy of docket No 428, dated 31st ultimo / 1st instant from the Deputy Commissioner, Tumkur District, together with the record of enquiry into the claim to Toddy Revenue preferred by the Kayangoothadar of Srinivaspura in the Maddigiri taluk, I have the honor to state that it is clear that the Kayangoothadar is not entitled to Excise Revenue from Toddy, i.e. duty or license fee on Toddy, but that under the principle explained in my letter No 3735/369, dated 28th April 1894, he is entitled to the rent of the date trees in the village utilized

utilized by Government, as per particulars below:-

1/3 of the rental including local Cess for 1893-94, i.e. for 15 months from 1st April 1893 to 30th June 1894, viz Rs 1-15-0	Rs	as p
	"	— 10 - 7

Deducting from the above amount Rs 0-0-2 for the proportionate cost of establishment, as per details below, the difference payable to the Kayamgoothadar is Rs 0-10-5.

Toddy Revenue of Maddagiri Taluq for 15 months of 1893-94		Cost of Toddy Establishment of the Maddagiri Taluq for 15 months of 1893-94		Toddy Revenue of the Inam village of Srinivasapur for 15 months of 1893-94.		Proportionate cost of Establishment debitable to the Inam village of Srinivasapur

70247 - " — 3	:	1005 — " — "	::	0 — 10 - 7	:	0 — 0 — 2

2. It will be seen from the above that, although the proportionate cost of only the taluk Toddy establishment is deducted from the Revenue, yet the Kayamgoothadar gets very little revenue. I am therefore of opinion that

that the proportionate cost of all the establishments referred to in para 2 of Government order No. 3163/2401, dated 22nd/24th August 1894, may not be deducted from the Toddy Revenue of the village

3. A copy of instructions (No. 1037/39, dated 28/30th August 1894) issued lately as to how the claims of the various classes of alienated villages should be settled, is herewith sent for the information of Government.

In reply has the honor to state that the manufacture of toddy under Section 5 of the Excise Act is distinct from its sale under Section 12 of the said Act. If a Shop exists in any alienated village entitled to Excise Revenue by Summud, the whole of the purchase money or rental of such Shop minus proportionate costs of Government establishments.

is in the undersigned's opinion, rightly payable to the Inamdar If a grove also exists in such village, the whole of the purchase money or rental thereof, minus the proportionate costs of the said establishments is also payable to him. But in the case of alienated villages not entitled to Excise Revenue by sunnud, the whole of the purchase money or rental of the shops existing therein vests in Government, the Inamdars being entitled only to the mohaturfa tax on the shops; and in regard to the groves existing in such villages, $\frac{2}{3}^{rds}$ of the purchase money thereof or rental are calculated as the Government share on account of toddy, $\frac{1}{3}^{rd}$ thereof minus proportionate costs of establishments, being treated as the Inamdar's share

of Mysore,

Sir,

In forwarding herewith copy of docket No. 522, dated 14/15th instant, from the Deputy Commissioner, Tumkur District, together with the record of enquiry therewith received, regarding the Toddy Revenue of Ranganahally Inam village in the Kortagere Sub-taluk, I have the honor to state that I agree with the Deputy Commissioner that the Inamdar is not entitled to Excise Revenue from Toddy. At the Inam settlement it was probably meant that the Inamdar was entitled to the rent of the date trees in the village. No toddy shop exists in it. There are about 100 date trees in it. The right of manufacturing toddy from them was sold in 1892-93 and 1893-94 for Rs 2-2-0 and Rs 29-14-9, respectively. These amounts include both the duty or license fee on toddy which vests in Government and the rent of the trees which belongs to the

Inamdar

Inamdar. Under the principle of calculation reported in my letter No. $\frac{3735}{369}$, dated 28th April 1894, the share of the Inamdar for the rent of the trees is as per particulars below:—

$\frac{1}{3}$rd of the rental including Local cess for 1893-94 —	9 — 15 — 7

Deducting Rs " — " — 2 and Rs " — 2 — 3, for 1892-93 and 1893-94, respectively, on account of the proportionate cost of establishment as per undermentioned details, the differences payable to the Inamdar are Rs " — 11 — 2 and Rs 9 — 13 — 4, for 1892-93 and 1893-94, respectively.

Sir.

I have the honor to forward herewith copy of dockets Nos 556, dated 20th September 1894, and 597 dated 29th September / 1st October 1894, from the Deputy Commissioner Tumkur District, together with his record of enquiry in regard to the Toddy Revenue of the Inami villages of Gollahalli and Borasandra in the Sira taluk. As both the villages belong to Uttarade Mutt, he has made one record for both of them, but has submitted separate decisions and Statements. I agree with him that the Mutt is entitled both to Excise Revenue on Toddy, and to the rent of the date trees in the said villages, utilized for the manufacture of Toddy. There are date trees in both the villages, each of which has a Toddy Shop. The amounts realized by separate sales in 1892-93 and 1893-94 are as follows:-

Name of village	1892-93			1893-94

To.

The Chief Secretary to the
Dewan of Mysore.

Sir,

In forwarding, herewith, copy of docket No. 779, dated 6/7th instant, from the Deputy Commissioner, Tumkur District, together with the original record of enquiry into the claim to Toddy Revenue preferred by the Inamdar of Honnamachenahalli in the Huniyal taluk, I have the honour to state that in the Inam Settlement Register of the above village, received with the Inam Superintendent's No. 77, dated 24/26th instant, the following record is made:-

"This is a valid Inam granted by His "Highness the Maharaja at the time of "the grantee's marriage to His Highness' "uncle's daughter. The first Summud puts "down the assessment at 245 pagodas "and 1 fanam, to which 16 pagodas and "1 fanam was added in 1827 on account "of Shendi and Sharab.

× × × × × × × .

"The Summud alienates all the items of "revenue without reservation, excepting perhaps Sandal

"Sundal which is not expressly granted."

2. I am therefore of opinion that the Inamdar is entitled to the Excise Revenue from both Arrack and Toddy. No Toddy Shop exists in the village. The right of drawing toddy from the trees in the date grove belonging to it for 1892-93 was put up to auction, but no bids were received; but Rs. 47-13-0 in-cluding local cess were offered for 1893-94. As recommended by the Deputy Commissioner, the whole of this amount minus the proportionate cost of establishment as per particulars below, may be paid to the Inamdar.

Toddy Revenue of the Hunigal taluk for 15 months of 1893-94.	Cost of establishment of the Hunigal taluk for 15 months of 1893-94.	Toddy Revenue of the Inam Village of Honamachena-challi for 15 months	Proportionate cost debitable to the Inam village of Honamachena-halli	Balance payable to the Inamdar.
Rs 27,063-13-10 :	Rs. 540-- : :	Rs. 47-13-0 :	Rs 1-15-6.	Rs. 46-13-6.
